

CITY OF ARANSAS PASS

AGENDA MEMORANDUM

City Council Meeting of January 16, 2018

Date: January 11, 2018

To: Gary Edwards, City Manager

From: Fernando Quintanilla, Director of Public Works & Development Services
quintanilla@aransaspasstx.gov

Title: Consider and Act on approving an agreement with LNV Engineers to complete design and preparation of a request for proposals for Rhodes/Beasley water and wastewater project.

PURPOSE: To extend city utility services to residents who live on Rhodes & Beasley Avenues from Avenue A to Saunders Avenue.

BACKGROUND AND FINDINGS: City awarded LNV phase 1 which included the installation of new water and wastewater utilities to Highland and Johnson. This is for phase 2 of the bond project to extend utilities to Rhodes and Beasley. Project will include the construction of a new lift station to be located near Avenue A and Rhodes with capacity for future expansion toward FM 1069.

ALTERNATIVES:

Keep the project on hold until a further date

OTHER CONSIDERATIONS:

We are currently paying interest on the bond money not being used

CONFORMITY TO CITY POLICY:

This conforms to the general city policy.
