To Whom It May Concern,

I am in the process of trying to clear up my finances with the property I own in Aransas Pass located at 100th Block of South 10th Street (Block 231 Lots12/13). I am an elderly woman on a fixed income living in Alaska with family, hence the reason I have not been able to afford the Weed Lot Liens. I currently only have the finances to pay the estimated principle amount of \$1200.00 at this time, and therefore would like to propose to the City that the interest fees be waived.

Thank you for your consideration on this matter.

Regards,
Helen Smith
