Agenda Item #:  
Title: Bids for Public Safety structure on Shrimporee Grounds.

---

### **CAPTION:**

Consider and act on approving the City to go out for bids on constructing the new public safety emergency operations / training and events structure on the Shrimporee grounds.

### **PURPOSE:**

This structure would be the replacement to the existing dilapidated blue building on the grounds.

### **BACKGROUND AND FINDINGS:**

Aransas Pass PD holds a need to erect a new command structure on the Shrimporee grounds. During this annual event along with other specialized, annual events held on the grounds, the PD will use the structure for emergency operations / command. When the building is not in use for these events, it will be used as our primary training location along with ancillary PD related events like public training events as well as a meeting place for our Aransas Pass Police Explorers.

### **ALTERNATIVES:**

None at this time.

### **RECOMMENDATION:**

Staff recommends approving this process.
