Title: Request from Coastal Bend Woodcarvers, Inc.

PURPOSE:

Consider and Act on request from Coastal Bend Woodcarvers, Inc. for HOT Funds in the amount of \$9,000 for their Annual Wood Carving Show and Classes scheduled for February 2-8, 2019.

BACKGROUND AND FINDINGS:

The Coastal Bend Woodcarvers were unable to hold their annual event in February 2018 due to damage caused by Hurricane Harvey to their storage building, printed materials and show supplies. The purpose for the request is to begin marketing the 2019 Annual Event and to cover the rental cost for the Aransas Pass Civic Center, advertising and materials.

The event attracts approximately 1,000 visitors to the two-day show, and an estimated 250 attend the five-day classes.
