Overall, how do you rate the service you received from the Aransas Pass Police Department?

What feedback can you share with me about your experience the the rating you provided?

They were very police and handled the situation. They treated me nice.

I got the response I needed. I was treated politely and they police took care of what we needed.

The police were prompt and helpful.

██████████ with Value said Frank Kent went above and beyond. She said she wishes all investigators were like him. She gave him a perfect ten score.

██████████ was very pleased that her stolen property was located.

Officer was helpful but not very friendly, but did do the job and answered all questions. Dispatcher was courteous.

Caller said the officer listened to both sides and was very respectful. He left his emotions out of it and she was very satisfied.

He was courteous and professional and asked the right questions.

When I called, I was not home and they came over and took care of the situation. They were really quick about doing their job.

The only problem is that the automated service the police department has could be simplified so that you can say what number instead of having to punch in the number. The dispatcher did stay on the phone, which I liked. The ACO came quickly. I was satisfied with the service.

2018 Spring Break Review

Jones, Aaron <ajones@aransaspasstx.gov>
To: APPD Supervisors <APPD_Supervisors@aransaspasstx.gov>

All,

Officers worked special spring break operations from March 9th, 2018 - March 18th 2018. Officers worked 2 at a time from 1pm-1am.

Stats:

- During the operations period officers conducted 409 traffic stops. This is all inclusive of the Spring Break Officers and patrol officers. This is compared to a normal average* of 93 stops..
- Officers issued 202 citations compared to 41 citations on average*
- 31 arrests were made. This is compared to an average* of 10 .
- Officers did not have any vehicle pursuits.
- Over this operational period officers had a total of 6 felony charges compared to an average* of 1.
- Officers made 4 DWI arrest (2 class A, 0 Felony)
- Officers issued 4 Citations for MIP and 4 Poss of Drug Paraphernalia.
- Officers did not respond to any crashes on Hwy 361, and no major crashes anywhere in the city.

* Averages are based on the same dates in the 3 months prior.

Communications:

We operated using a primary channel and a information channel much like we did last year. We did change it where we operated in this fashion around the clock during the operational period and it seemed to work out. Using the 2 channels distributed the work load with the 2 dispatchers. The only complaint in regards to this were a couple dispatcher wishing they had headsets (that worked) because sometimes they had a hard time when there was traffic on both channels. After discussing with Crystal we are planning on using the same procedures next year.

Jail:

Ofc. Poe worked the Holding Facility for the operational period. He was a vital resource to operations running smoothly. He transported to county jails 12 times, booked in the majority of the arrest, and assisted with a multitude of other tasks including restocking of meals, blankets, and cleaning the holding facility. In the little down time he had he was able to complete several of his required online classes.

We have been lucky enough to be able to use officers on training for these positions the last 3 years. If in the future we do not have people in training it is a vital part and believe that OT would be justified to fill this position. This year we only had one officers so he worked 8 and 10hr shifts at peak times which seemed to work out. Next year I will probably move the hours a little earlier if we only have one person.

Ferry:

The ferry line was not a issue this year. They had an additional large ferry and the traffic was much lighter than in years past. I do not believe it ever got to the last bridge.

Traffic:

Traffic this year was not nearly as heavy at it has been in the past and seemed to clear out earlier. I believe that this was just due to the lack of hotels and a majority of people having to stay in Corpus or staying on the Beach. I'm sure by next year traffic will be back up to where we have seen it the last several years.
