**Agenda Item:**

Consider and Act on request by Harbor Master to award bid for repairs to Fishing Pier at Harbor Point Park.

**BACKGROUND AND FINDINGS:**

This fishing pier was badly damaged during Hurricane Harvey and has been closed to the public for the past eight months. Safety railing and deck boards are in unsafe condition. Members of the public breach the barricade, exposing themselves to danger and the City to liability issues. Bids for repair have been solicited from JJ Fox Construction, Dock Express, Smart Docks and Heart Bar Construction. Dock Express submitted the low bid of \$8,350.

Heart Bar Construction/Chris Belthune...\$14,839.50  
JJ Fox Construction/Tommy Fox...\$10,600  
Dock Express/Brent Fellman...\$8,350  
Smart Docks/Marvin Smart...No Response

Repair expense is expected to be partially reimbursable from FEMA, and Yeti Corp. has expressed interest in participating in repairs.

**ALTERNATIVES:**

Take no action at this time.

**CONFORMITY TO CITY POLICY:**

This conforms to city policy.

**EMERGENCY/NON-EMERGENCY:**

Non-Emergency

**RECOMMENDATION:** Staff recommends approval of the bid from Dock Express.
