Mayor & Council
City of Aransas Pass
Aransas Pass, Texas 78336

Dear Mayor & Council,

We the Parents/Volunteers of Aransas Pass Project Graduation are preparing for the Annual Project Graduation event to be held June 1, 2018. Project Graduation has become a tradition all over the nation in an all-out effort to prevent alcohol and chemical related accidents on graduation night. It is an all-night chemical free lock-in party that begins after graduation and continues until morning. Our event is free to graduating seniors. This event is supported by and follows the guidelines of the Texas Department of Transportation.

Aransas Pass Project Graduation is a non-profit, 501(c)(3) tax-exempt organization and funded through parents, families, friends and generous supporters in our local community. Due to Hurricane Harvey which struck Aransas Pass on August 25, 2017, we were hesitant to reach out requesting donations to local businesses and residents as we know many are still attempting to recover. After being contacted by several people inquiring whether this event will happen, we have decided to seek donations from our local residents and businesses.

As such, we are requesting the use of the Aquatics Center swimming pool with the waiver of fees for said use on the night of Project Graduation. We would request that the police department have an officer at our event to ensure the safety of all attending. And finally, we would request a monetary donation to support this event for our graduating seniors.

Our goal is to provide an event that is interesting enough to encourage attendance. To seniors, interesting translates to: food, fun, and PRIZES! Most prizes awarded to the seniors are items they can use in the next chapter of their life whether it's working, college or the military. The prizes include bedding, dishes, small furnishings, household items, etc. The success of Project Graduation relies entirely on the generosity of businesses, concerned citizens, clubs, and organizations. All donations received are used for the current graduating class. Please contact Cynthia Vasquez at (361) 534-9302 or email aransaspassprojectgraduation@gmail.com with any questions.

Thank you,

Cynthia Vasquez
