Chief and David -

I have attached the requested quote for 2 radio channels and 60 users. The total price for 5 years comes to \$36,480.

This includes installation, 24x7 critical issue support, admin portal, on site training, unlimited hardware replacement during term, and all features of the app.

The feature list includes:

- One to one push to talk
- Encrypted off radio talk groups
- Text/media messaging
- Real time GPS tracking
- Emergency Alert button
- interoperability with any Tango Tango customer

Please let me know if you have any questions or concerns.

Thanks!

Beck Mitchell
