██████████ was very pleased that her complaint was handled quickly and the suspect was arrested. He was accused of assaulting her and attempting to destroy her phone while she called 911.

██████████ was very pleased that Detective Luna arrested the man who burglarized her garage.

They were wonderful. They arrived quickly and were very polite. They asked a bunch of questions. Respondent said she appreciates the job the police do.

The lady at the desk took very clear and good details. She even got a map out to see where the problem was. I was very pleased. She didn't have contact with the officers and didn't need to.

It was great. Had a few problems in the neighborhood. They were great. The officer got there and stood the stop sign. They were there promptly and rates them excellent.

Service received was good

Everything was real good.

It was fast and quick. Came in and asked a couple of questions. It was an in and out thing. They were professional of course. They were straight and to the point.

Excellent service. I think they were very good. I was home when they handled it. There was two females that came (cat in a trap call). The cat had mange. One took the trap and the other had a smaller trap. They put both of them side by side and gradually opened them up and barely tapped the trap and transferred the cat from one cage to the other. It was fantastic the way they handled it. It was only about 10 minutes for them to come.
